

HOUSEHOLD WASTE DISPOSAL

Waste disposal time:
3pm to 4am (daily)

When?		What can be recycled?
Food Waste 음식물 쓰레기	Everday	Edible waste including <i>fruit/vegetable peels, meat (cooked/uncooked), raw egg etc.</i>
Recyclable Waste 재활용 쓰레기	Mon / Wed / Fri / Sun	Plastic (PET) <i>Beverage, liquor, condiment plastic bottles, etc.</i>
	Thu / Sun	Vinyl <i>Snack and instant noodle wrappers, plastic bags, etc.</i>
	Tue / Thu / Sat	Paper <i>Newspaper, magazines, paper, milk cartoons, etc.</i>
	Everyday	Glass bottles <i>Beverage and liquor bottles, condiment bottles/jars, etc.</i>
	Everyday	Cans and Metals <i>Cans, aluminium, stainless steel, iron tools, butane gas bottles</i>
	Everyday	Styrofoam <i>Food containers, electronic packaging, icebox, etc.</i>
General Waste (Combustible) 일반 쓰레기	Everyday	Everything that <u>does not</u> belong in the recyclables or food waste. Includes some organic waste like <i>egg shells, crustacean shells (Crab, Lobster, Shrimp, etc), clam shells, onion and garlic paper-like skin, animal bones (beef, pork, chicken, lamb, etc), tea bags or tea leaves etc.</i>
Non-combustible Waste 비연소성 일반쓰레기	Tue / Sat	Broken glasses, ceramics, porcelain dishes, etc.
Oversized Waste 대형 쓰레기	For larger waste items such as furniture, appliances, you will need to contact your local district office and request an oversized garbage disposal.
